Last Updated Monday, 24 March 2008

The five pages in this area contain information about, and resources for, Nonviolent Communication™

## NVC Public Trainings

This page contains information about NVC Resolutions public workshops in Nonviolent Communication in London and other locations.

## About NVC

This page contains an overview of the Nonviolent Communication process, plus information about Marshall Rosenberg, the creator of NVC, and also the Centre for Nonviolent Communication.

## NVC Media

This page contains links to free streaming video and audio clips of Marshall Rosenberg explaining the process of Nonviolent Communication in a range of contexts.

## NVC Resources

This page contains links to a range of Nonviolent Communication resources available online, including written materials and web groups.

## NVC Links

This page contains links to websites of many of the Nonviolent Communication trainers and supporters worldwide. (If you would like your website to be added to this list, please contact us).
