NVC Resolutions E-Newsletter

If you would like to keep in touch with us at NVC Resolutions, and our programme of events, you are welcome to sign up for our 3 weekly e-newsletter.

The e-newsletter will come to you in two formats:

1. The first version will be sent to you every 6 weeks. It will contain:

- Further tips to do with practising NVC.
- Details of upcoming NVC Resolutions trainings.

2. The second version will be sent to you three weeks after the first newsletter. It will contain:

- An NVC quote of the month.
- Details of upcoming NVC Resolutions trainings.

We may very occasionally send you another email, if there is something very urgent that we wish to share with you.

You can choose whether to receive your e-newsletter in html format (for faster computers) or plain text format (containing no pictures - for older or slower computers).

To ensure you receive our newsletter, please add "nvc-resolutions.co.uk" to your safe email senders list, especially if you use a free public email service such as Hotmail, gMail or Yahoo.

We know how frustrating it can be to receive many unsolicited emails daily through your inbox, so we want to reassure you that you will not receive any other unsolicited emails from ourselves or other sources through signing up to our e-newsletter! And we will not pass your email address on to anyone else.

You will be able to unsubscribe to the e-newsletter at any time by following the link at the bottom of any of the newsletters you receive. The unsubscription process really works, too! It won't forward your email address to a computer somewhere in some obscure part of the internet that specialises in spam!
